I hereby apply for a Mechanical permit and acknowledge: the information above is complete and accurate; the work will be in conformance with the ordinances and codes of the City of Andover and Minnesota State Building Code; I understand this is not a permit but only an application for permit; work is not to start without permit; work will be in accordance with the Approved Plan when City plan approval required. This application and any issued permit may become null and void if permit is not issued or work is not commenced within 180 days, or if work is suspended or abandoned for a period of 180 days. I hereby certify that I have read and examined this application. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
