<p>I hereby apply for a Fire Protection permit and acknowledge: the information above is complete and accurate; the work will be in conformance with the ordinances and codes of the City of Andover and Minnesota State Building and Fire Codes; I understand this is not a permit but only an application for permit; work is not to start without permit; work will be in accordance with the Approved Plan when City plan approval required. This application and any issued permit may become null and void if permit is not issued or work is not commenced within 180 days, or if work is suspended or abandoned for a period of 180 days. I hereby certify that I have read and examined this application. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.</p>

## **Fire Protection Permit Fees**

**Project Valuation** to be used in computing permit fee is the fair market value of work, including the total costs of materials, labor, profit and overhead for which the permit is issued.

Minimum Permit Fee (All Permit Types)

\$100.00

Fire Suppression System

1.25% of Project Valuation

Fire Alarm System

1.25% of Project Valuation

Commercial Fuel Storage Tank

1.25% of Project Valuation

Other Fire Protection System

1.25% of Project Valuation

Plan Review Fee

65% of Permit Fee

(Charged For All Permit Types When Plans Must Be Submitted)

(Minimum Fee \$100.00)

**Minnesota State Surcharge** must be charged

.0005 X Project Valuation

in addition to permit fees for all permit types:

(Minimum of \$1.00)
